Inworks Incomplete (IW/IF) Policy

Incomplete grades are not awarded for poor academic performance or as a way of extending assignment deadlines

The Inworks policy regarding incompletes is consistent with campus policy, and can be summarized as follows:

Incomplete grades (IW or IF) will not be granted for low academic performance. To be eligible for an Incomplete grade, students should have:

1. successfully completed a minimum of 75% of the course;
2. have special circumstances beyond their control that preclude them from attending class and completing graded assignments; and
3. made arrangements to complete missing assignments with the original instructor. Verification of special circumstances may be required, at the discretion of the instructor.

When an incomplete is to be awarded, the faculty member should prepare a written Course Completion Agreement (form attached). This agreement, executed by both the student and the instructor, contains a detailed description of what work remains to be completed, and the deadline for completing that work. A Course Completion Agreement does not and cannot allow the student:

1. to repeat the entire course;
2. to repeat or replace an existing grade for completed work;
3. to have an indeterminate period of time to complete the course; or
4. to repeat the course with a different instructor.

Students are allowed up to a maximum of three semesters (one year) to complete the requirements for the incomplete, after which the “I” grade will revert to an “F” grade (or the grade that the student had earned based on work prior to taking the Incomplete) on the student’s transcript.
